*Bite Back Magazine*

The Animal Liberation Front (A.L.F.) consists of individuals and small autonomous groups of people all over the world who carry out direct action according to the A.L.F. guidelines.

Because A.L.F. actions are against the law, activists work anonymously and do not have any centralized organization or coordination. The A.L.F. is non-hierarchical in its structure, which allows for only those people involved directly in the action to control their own destiny.

The Animal Liberation Front directly disrupts the practice of animal abuse by rescuing animals and imposing real financial and social costs to animal abusers, usually through the damage and destruction of property.

Any group of people who are vegetarians or vegans and who carry out actions according to A.L.F. guidelines have the right to regard themselves as part of the A.L.F. Any action that adheres to the A.L.F. guidelines can be considered an A.L.F. action.

Since there isn't a way to contact the Animal Liberation Front in your area, it is up to each of us to take on the responsibility to stop the exploitation of our fellow animals. In the words of a convicted A.L.F. activist, "when you see the pictures of a masked liberator, stop asking who's behind the mask and look in the mirror."

To liberate animals from places of abuse, ie laboratories, factory farms, fur farms, etc, and place them in good homes where they may live out their natural lives, free from suffering.

## **ALF GUIDELINES**
